

Regarding visits with inpatients

Visitation is restricted

In order to strengthen measures to prevent the spread of infection, **visitation is restricted.**

We sincerely apologize for the inconvenience.

We appreciate your understanding and cooperation in order to protect patients from infection.

< Further details on the visitation restriction >

- If you visit the hospital for any of the following reasons, you must fill out a visitation slip.
 - You were requested to come by the hospital (standby for an operation, serious symptoms, medical explanation, etc.)
 - You are picking up or dropping off a patient
 - You are delivering daily necessities (**One person can come once a week** to deliver daily necessities.)

You cannot enter the inpatient ward for reasons other than the above.

- Visitation slips can be found on the desk in front of the main elevator on the 1st floor.
At the 1st floor desk, fill in the required items, and submit the slip to a nurse in the inpatient ward.
- To enter the inpatient ward, you must wear a mask and first disinfect your hands.
- **Due to the spread of infection in children, children ages 12 and under are prohibited from entering the inpatient ward. If you have business in the inpatient ward, do not bring your child.**
